

Sea-Air rates

February - March 2020

Rates by zone:

(click on a zone to see the rates)

Zone 1

Zone 2

Zone 3

Remarks:

- Sea-air rates provided are all in per kg rates and are our PURE NET/NET, please consider a PRS for us as well.
- Rates include, Ocean freight, sea-freight import transit clearance upon arrival at JEBEL ALI, transportation to the airport from the seaport, clearance at the airport, all necessary airport related charges and airfreight to respective destination.
- The rates exclude all origin/ destination related charges and also based on General cargo & Stackable.
- Rates are subject to major market fluctuations and extensive fuel escalations.
