

Horn Lake, MS

Our Horn Lake facility is located 10 miles from Memphis International Airport and features 200,000 sq. ft. of warehouse space, 32' clear ceiling height, 37 dock doors and yard space for 50 trailers. This facility is 50% racked and 50% open pallet storage and can ship small parcel, LTL or TL orders. Main services provided include warehousing, ecommerce, cross docking, pick & pack, inventory management, return management and other value-added services. The facility can handle a multi-client or dedicated client setup.

Horn Lake, MS

Horn Lake straddles the intersection of Tennessee, Mississippi, and Arkansas. The city has exceptional access to vital interstate highways, Memphis rail line, the Mississippi River and the Memphis International Airport, which is home to the FedEx World Hub, the second busiest cargo airport in the world. Its accessible transportation networks connects to major ports and gateways making Horn Lake a logistics hotspot for manufacturing and distribution.

- Major transportation & shipping hub
- Five Class railroads (NS, BNSF, CN, UP, CSX)
- I-55 & I-69/269 access
- Access to the 3rd largest rail center in the U.S
