

DSV PAPS/SCN Tracker

DSV PAPS/SCN tracker allows you to track the Customs release status of your shipments 24/7. Enter your tracking number or shipment control (example below) to verify that your PAPS has been accepted by U.S. Customs prior to arrival at the border.

The screenshot displays the DSV Air & Sea Online website. The header features the DSV logo and the text "DSV Air & Sea Online" above a banner image of a cargo plane. Below the banner is a "Home" link. The left sidebar contains a login form with fields for "Company Code:", "E-mail:", and "Password:", a "Remember me" checkbox, and "Login" and "forgot your password?" buttons. The main content area has a search form titled "Shipment/House Bill/Direct Master Number:" with a text input field containing "DSRV10570827968" and a "Find" button. A callout box highlights this search form, and a blue arrow points to it from a text box that says "Enter your PAPS/SCN number in the highlighted and enlarged section."
