DSV

Caring for your goods

At DSV we pride ourselves on taking the greatest care of your shipments – from collection to delivery. We are professionals who stand for quality and respect and always do our utmost to protect your goods. But if the unexpected happens, standard legal liability compensation is rarely enough. That's where DSV Protect comes in.

We don't deduct any excess and we handle every claim immediately. So you get peace of mind that if the worst happens, you are assured fast compensation with no questions asked.

If something goes wrong

We'll handle your claim quickly, efficiently and effectively. If you are already insured, DSV Protect will automatically cover what your existing insurer deducts.

DSV Protect. Peace of mind.
