# DSV QHSE Policy

## Quality | Health | Safety | Environment

To achieve continuous improvement, we evaluate the needs and expectations of our customers in order to deliver a consistently high quality of service aligned with customer expectations.

We enable our employees to deliver best in class services by providing them with opportunities to enhance their knowledge and competencies through employee participation and consultation, and by setting clear objectives and expectations.

We provide a safe working environment, eliminating hazards, reducing risks and consulting with our customers, suppliers and employees to drive a culture of safety.

We place a high value on environmental protection and are committed to global reduction in greenhouse gas emissions and prevention of pollution.

We are committed to meet applicable legal and other requirements, fulfilling our compliance obligations and respecting the rule of law.

We are committed to continually improve the efficiency of our management system; manage risks and enhance opportunities.
