

DSV Protect, exclusively for you as DSV Quote & Book Tool user!

Are you aware of the risks you take when your shipments go from A to B and what the financial consequences are? No? Then we gladly introduce our new exclusive service, DSV Protect.

DSV Protect, exclusively for you as DSV Quote & Book tool user!

Maybe you are wondering, what does DSV Protect mean for me and my shipments? DSV Protect is an additional service which DSV Road B.V. can offer you. Free of charge! This service is included for every shipment, on condition that the shipment is booked via the DSV Quote & Book website.

DSV Protect, compensates damage or loss of goods during transit while under the care of DSV Road B.V. with the exception of damage caused by inadequate packaging, or loss or damage caused by delays, inherent defect of the goods or your own fault.

What does DSV Protect compensate?

Instead of the usual compensation on the basis of CMR conditions, the compensation of DSV Protect is calculated pro ratio of the commercial value of the affected cargo up to a maximum of EUR 5.000,00 per shipment, all included. Only you as customer, who books the shipment via the [DSV Quote & Book website](#), is entitled to the allowance.

Curious?

Do not hesitate to contact your personal Customer Service Team or book a shipment directly via our DSV Quote & Book portal and [register yourself here](#). This only takes a few minutes of your time!

Kind regards,
DSV Road B.V.
