

# Atlanta, GA

Our two Atlanta area facilities are located 30 miles north of Atlanta Hartsfield-Jackson International Airport and features over 450,000 sq. ft. of warehouse space. This facility is ESD controlled and main services provided include warehousing, cross docking, ecommerce-shipping, inventory management, distribution, kitting, display building, pick & pack, labelling, and other value-added services.

## Atlanta, GA

Home to transportation companies such as UPS and Delta Air Lines, Atlanta is the manufacturing & logistics capital of the southeast. Atlanta is the center point of major roads, rail lines, and ocean and air routes transporting goods across the United States and around the world. Atlanta is known as a major air transportation hub, with Hartsfield–Jackson Atlanta International Airport being the world's busiest airport.
