Chicago, IL

Strategically located, Chicago is one of the most important distribution hubs in the world. Chicago transports half of the nation's rail freight and is one of the largest inland port of entry for intermodal traffic. With Chicago being a two day truck haul for over 40% of the continent and easily accessible to two airports, transcontinental rail and vital interstate highways, it is an ideal location for importation, distribution, and quick deliveries.

- Proximity to rail, road and air linkages
- Easy access to 7 interstate highways
- Within 40 miles of O'Hare International Airport
- Strong Labor Force
